MARCHING ALONG TOGETHER

Today is D-Day in Arlington and throughout the nation, every day through January 30th will be D-Day. D-Day of course being Dime Day for the annual March of Dimes which opens its 1948 fund-raising appeal on this date. This is the only appeal for funds to carry on the splendid work of the National Foundation for Infantile Paralysis which is marking its 10th year of service in fighting polio. It can be Dime-Day every day from now on for us, or, it can be Dollar-Day. Whatever we can give, dime or dollar, it will be welcomed and put to good use. The March of Dimes is a national war—a fight against a common enemy, and like all wars it is expensive and hard won. By marching along together we can continue the successful fight. Between now and the end of the campaign if you put one dime aside; one dime a day—or one dollar if you can afford it, you will be able to contribute an effective amount to this fund. It will be your budget. In turn you will want to know about the fund budget itself and how your money will be spent. We are printing in this week's edition an effective diagram showing just how the campaign money is used. And please remember that for polio care the hospital costs are up and the dime's value down—so let's give as much as we can so that other feet can walk and march in step with ours.

SNOWBOUND

The perversity of the human species is as dependable as death and taxes. In the summer we groan about the heat and wish for cooler weather. Now that we are snow shoveling and shuffling, we are looking enviously ahead on the calendar to the winds of March, the April rains and the May mud—not to mention June bugs, July dust and August's melting mercury, September's scorching and October's leaf raking. Which of course brings us right back to the day we'll be wishing for the wintry white of snow, and proves that Mother Nature still controls the lives of men. Here's your snow—love it while you can.

AN ARLINGTON JUNIOR COLLEGE?

By REV. WARREN N. BIXBY
Rector of Church of Our Saviour (Episcopal)

A Junior College in connection with our High School is something greatly to be desired in itself. What keeps the Town from establishing such an institution is the great cost which would normally add one or two dollars to the tax rate and which seems to the average citizen prohibitive.

I have often thought of methods by which most of the expense could be saved.

The most important of these is that classes should be held in the present High School building in the afternoon and evening. Ten courses would be required for graduation with an Associate Arts degree and each course would be given every other year, in the afternoon and in the evening.

Among other things, this would give young people an opportunity to work in the day time and go to college at night. In this case, it would normally take them four years to get two years of college.

At least one hundred dollars tuition should be charged as well as the cost of books, but students might be given an opportunity to earn this by doing special work for the town, such as shoveling snow, and extra secretarial work in rush seasons.

The work should be strictly of college grade. The trouble with our present post-graduate course and with the idea of adding a thirteenth or fourteenth grade is that these courses are on a High School level, and it is pretty well recognized that the freshman year in a good college is equivalent to two years in High School.

As to teachers, if the courses were in the afternoon and evening as suggested, it is probable that excellent teachers from the many neighboring colleges could be persuaded to repeat their courses at the Arlington Junior College at a greatly reduced rate.

If we had an enrollment of one hundred in each class, this would bring in twenty thousand dollars. If the dean were paid five thousand and each of fifteen instructors were paid a thousand dollars for conducting fifteen courses, the resulting expense to the town would be simply the extra heat and janitor service. There would be a saving of some ten thousand dollars now spent for post-graduates to offset this.

The great difficulty with our present post-graduate system is that the year so spent doesn't count towards a college degree.

Shea Claims Errors in Elliott Letter And Says His Charges Still Hold

The following communication has been received from Mr. John Henry Shea in regard to the controversy caused by the charges recently made by the latter on the awarding of town contracts. The Committee on Town Government answered Mr. Shea's original accusation with an open letter published in the Advocate on December 18th. Here is Mr. Shea's follow-up answer to that correspondence.

January 6, 1948

To the Editor
Arlington Advocate
Arlington, Massachusetts
Dear Sir:

Your newspaper under issue date of December 18, 1947, carried a public letter signed by Roscoe O. Elliott, Chairman, Committee on Town Government, that the charges that I made November 4, 1947, were at variance with the truth.

He stated in his public letter that the charges had been thoroughly investigated by Mr. Howard Hayes. This public letter of Mr. Elliott ends as follows: "We are glad therefore, to clear the Board of Public Works and the Town accountant of any charges of malfeasance in office made publicly." May I state at this point that the definition of the word "malfeasance" according to Webster's Dictionary, is as follows: malfeasance—an illegal deed. My story should convince the fair-minded citizen of the Town whether or not I am right in the assertion that Mr. Elliott evidently does not understand the meaning of this word.

So that there will be no misunderstanding, I would like to make it clear that any reference to the violations of Article 7A of the Town By-Laws which relates to "Contracts and Purchases" is directed specifically towards those Town Officials holding office at the period discussed in dealing with the contract awarded on September 21, 1944 to the Vulcan Construction Company of Boston.

Mr. Roscoe O. Elliott
1 Windmill Lane
Arlington 74, Mass.

Dear Sir:

I am taking this means to reply to your public letter of recent date, dealing with your committee's avowed investigation of my charges made at the public hearing held on November 4, 1947 and confirmed by my letter delivered to you at your Boston office on November 13, 1947, all as promised to you at the close of the public hearing.

You will recall that you phoned me at my home in answer to my request made, same occurring the evening that the paper carried your public letter. I wanted to hear from you personally your reason for printing this letter bearing your signature. Records show you were Chairman of the Board of Selectmen by appointment to be sure, during a period when certain of these violations of Article 7A of the Town By-Laws occurred. I announced to you during said telephone conversation that in justice to my good name I would be duty bound to answer you publicly. I have always found you a gentleman.

We have known each other since our high school days. So naturally, I was surprised at your action taken, especially since you had admitted to me, that you had been made aware of such irregularities, when you were serving as Chairman of the Board of Selectmen. I reminded you on the occasion of our latest telephone conversation, that this town government of ours should

be a government of Laws and not of men.

I ask you as a citizen interested in the lawful administration of the official business of the Town, did you then act as you lawfully should have done, to carry out the mandatory provisions of Sections 1 and 2 of Article 14 of the Town By-Laws? Such inaction on your part in this instance, constitutes negligence, not only on your part, but also on the part of the other Town Officials charged with the administration of our town government.

Paragraph 1 of your letter states . . . the hearing was held in October. I presume you had reference to hearing held Tuesday, November 4, 1947. This is error Number One.

Paragraph 1, second sentence, carries another inaccuracy. I am content to refer to the true statement made as reported by the only male newspaper reporter present and assigned to covering the public hearing. Your statement varies with that recorded and printed. Both cannot be right. This is Error Number Two.

Paragraph 2 states that Mr. Howard Hayes, Chairman of the Finance Committee and also a member of the Committee on Town Government made a thorough investigation. Do you know that Article 8, Section 4 of the Town By-Laws under the heading, Finance Committee, reads as follows: "No person holding either elective or appointive town office other than Town Meeting membership and no town or other public employee shall be eligible to serve on said committee." The law states that this man should not have been serving on your committee, if he chose to serve on the Finance Committee.

You stated in your telephone conversation with me, that this was too technical for you to understand. I then ask you, why you did not refer the investigation to the Town Counsel, especially since it pertained to violations of the Town By-Laws. Error Number Three.

Paragraph 2, second sentence states the following: the proposition was advertised in both of our local papers on September 6, 1944 by the Board of Public Works. The law covering this proposal on the basis of estimated costs and extent of work involved reads as follows: "Where the estimated cost is one thousand dollars (\$1,000) or over, by public advertisement not to exceed three consecutive insertions, in one or more newspapers published in the town". Error Number Four.

Paragraph 3 states, that only one concern, the Vulcan Construction Company of Boston, responded with a bid. I ask you, as a business man and as one who should know what constitutes competition, which by law, this should have been; since when did the receipt of one proposal constitute competition and serve as a basis for the award of a contract. Error Five.

The contract was awarded with a thirty day performance clause for the completion of the items bid upon and also with the understanding that the work should start within thirty days of the date of the awarding of the contract, which in this case was September 21, 1944. Yet your letter stated that the work was commenced in November, but weather conditions postponed completion until May 1945. The records

which I have received from the United States Weather Bureau for the same period of time, during which the contract was in force, is at variance with your statement. . . . Error Six.

My interest in this particular subject of contracts in this instance, dates back to the Town Meeting held March 14, 1945 when Article 17 of the Town Warrant was under discussion. I was a Town Meeting member at the time and when you in your capacity as Chairman of the Selectmen, read the letter signed by the Chief of the Fire Department stating that it was necessary to spend twenty-five hundred dollars (\$2,500) for work on ramps at the Fire Headquarters.

I submitted a substitute motion in the amount of three hundred dollars (\$300) and this substitute motion was voted on and accepted. I naturally expected to see this work advertised before the work was started and, lo and behold, I saw the work being done and its completion in a few hours. I then looked into the matter at the Town accountant's office. I found that the requisition for the work had not been signed by the Chief of the Fire Department as required, but instead by a subordinate member of the Fire Department. I understand that a request for an additional sum over and above the three hundred dollars (\$300) appropriated for the work had been made to the Finance Committee at the time and bear in mind that this work was done by the Vulcan Construction Company of Boston. Mr. Howard Hayes being Chairman of the Finance Committee at that time and also at this present time, was not the right person to have conducted an investigation into this matter. I was present throughout the time allotted to the public hearing held by the Committee on Town Government and at no time did I see Mr. Hayes in attendance there. Did you present my charges as written and delivered to you for Mr. Hayes use in his investigation or was this handled as irregular as the proceedings mentioned previously in this public reply to you?

Roscoe, if I have made any misstatements in this public reply, I desire that you correct me.

I close by repeating that my charges contained in my letter to you still hold, and I cannot forget your admission to me during your term of office as Chairman of the Board of Selectmen, certain By-Laws were violated, relating to the subject matter contained in this public reply addressed to you, I am.

Respectfully yours,
JOHN HENRY SHEA

Exhibits Painting
An oil painting by Victor Remi Guilbault, 223 Mystic street, titled "Himalayan Summer—Kashir" will be included in the Fifteenth Annual Exhibition of the Boston Society of Independent Artists, January 12-31, in the galleries of Paine's of Boston, 81 Arlington street.

Mr. Guilbault studied at the Massachusetts School of Art. This is the first time he has offered his work for public exhibition. From 1943 to 1945 he was in India with U. S. Army Engineers, doing map work. He is at present employed as a store architect. Besides his painting, reading and writing poetry are his special interests.

Nearly 600 paintings, drawings, prints and sculptures from 27 states and Canada will be shown in the Boston Society of Independent Artists Exhibition. The event is sponsored by prominent New England museums, art galleries, art schools and art associations.

Lectures and special demonstrations will be presented in conjunction with the forthcoming event. The Fifteenth Annual Exhibition, the first art show by the Society since the beginning of the war, will be the most extensive ever held. The initial exhibit, in 1927, was held in a barn on Boston's historic Beacon Hill.

Contest at High School

The pupils in the Biology and Art Classes at Arlington High School are now preparing essays and posters on the subject of Cancer Education.

The American Cancer Society will judge the three best essays and the State Department of Public Health will select the three best posters.

Cash prizes are being offered through the generosity of Arlington Rotary Club and Arlington Kiwanis Club.

The winning posters and essays will be on exhibition at the February meeting of Arlington Woman's Club, that being Public Health Day.

This contest is sponsored by the Arlington Cancer Committee: Mr. Arthur Yeames, chairman, and Mrs. Arthur J. Mansfield, vice-chairman.

The contest was arranged by the sub-committee on schools, Mrs. M. Norcross Stratton, chairman, assisted by Miss Helen Hefernan and Mrs. Humbert Beckett.

Aid World Student Fund
Two Arlington students are collecting pledges and money gifts for the World Student Service Fund Drive at Bates College, Lewiston, Maine, which will end on January 12. The money received will be sent to the University of Rangoon, Burma.

Obituary
MRS. RULON J. GREEN
Florence Hardin Green, the wife of Rulon J. Green of 167 Washington street, passed away last Thursday, after an illness of over two months. Mrs. Green was born in Schenectady, N. Y. She came to Arlington at the time of her marriage thirty years ago, and lived here until her death. She was one of Arlington's first Gold Star Mothers in World War II; her son, Lieut. Lawrence Hardin Green, having been attached to the Aircraft Carrier Langley, which went down in the Pacific in February, 1942. Mrs. Green was a member of the First Baptist Church, where she worked in several groups, was a member of the Arlington Woman's Club, the Community Club, and during the war participated in Red Cross activities. She is survived by her husband; one son, Donald Franklin Green, a senior at Arlington High School, and her mother, Mrs. Ruby Cary Hardin. Funeral services were held Saturday afternoon at the Hartwell Chapel, and conducted by Rev. Nathan W. Wood, minister of the First Baptist Church. Interment was in Mt. Pleasant Cemetery.

quire one to be a member of the organization six months before being eligible to serve on the Qualifications Committee. The third suggestion was to define a fiscal year.

Mr. Magnuson further stated that the committee felt that the entire By-Laws should be rewritten, changing phrases here and there without altering the meaning. He then read the proposed By-laws as an amendment to the original. Action will be taken at the next meeting. Each member will be sent a mimeographed copy of the present and proposed rules.

After a considerable discussion it was decided that the Committee would meet on Monday, February 2, to hear the report of the Qualifications Committee on the candidates for office in the coming elections. The candidates who have been selected to receive the endorsement of the Citizens' Committee will be named, if any. The business meeting was adjourned and Thomas Bowe of Somerville, a member of the State Industrial Accident Board, addressed the group.

D. A. V. Lays Plans For Baseball Season

A baseball meeting was held Wednesday evening, January 7, at the D. A. V. hall on Massachusetts avenue, by the D. A. V. team to prepare for the coming season. The club has again entered the Paul Revere League. Last year the Vets placed third. The club elected officers as follows: Phil Doherty, president; J. Buckley, vice-president; T. Buckley, treasurer. It plans to grow into a large organization in the future and sponsor a hockey club and a basketball club. A summer Penny Sale followed by a dance at the Town Hall was voted and the program is being started at once.

All home games of the club will be played at the Reservoir Field.

JUNIOR HIGH CENTER

(Continued from Page 1)

dition of a gymnasium to Junior High Center discuss these plans which the association has had for some time, as well as a set of alternate architect's plans. It was decided that the next regular meeting of the group will be held on Thursday, January 22 at 8:00 o'clock at the Junior High Center auditorium to discuss the matter in public. This meeting will arouse citizen interest, it is hoped, and action to determine the future of the school and whether it is to be improved or else, completely discarded as a school.

Parents of students at Junior High Center are urged to attend, as are any other interested residents. The parents are well aware of the disadvantages that would result if their children were forced to change to the East or West Junior High schools. Inconveniences such as two daily carfairs, which would have to be paid by parents, since the distance to the schools does not fall under the transportation coverage for school bus systems, are apparent. However, the support given to the Center P.T.A. by individuals will be a deciding factor in the battle to add a much needed gymnasium to the school and keep the building in use as part of the Arlington school system.

BELMONT BLANKS

A.H.S. SEXTET, 3-0
Belmont High's aggressive hockey team handed the local sextet a severe setback when it whitewashed the A. H. S. club 3-0 on the arena ice, Saturday afternoon. The Red and Gray sticklers could not get the disc past Belmont's goalie, Paul Kelly, who put on one of the finest exhibitions of net-tending seen for years.

The defeat puts the locals well down in third place in the Greater Boston League, which they topped last year, along with the New England Interscholastics. Belmont and Medford are jointly on top after last week's games.

Ronnie Butt hit the strings in the first period on a neat pass by Vigliore. The shot was shoulder high. The same lad tallied in the second period on a spectacular solo dash down the right boards. In the final frame, Gurun picked up Marsh's rebound and slapped it in. An offside whistle nullified an Arlington score by Shea on Brad Donovan's rebound.

The amazing part of the whole affair was that not only did Paul Kelly and Co. blank the usually high-scoring Spy Ponders, but did so while short-handed most of the time. The officials tagged Belmont with seven penalties, while Arlington's only offender was Kelly. The summary: **BELMONT (3)**—G. Kelley; rd. Sylvia; ld. MacKenzie; c. Vigliore; rw. R. Butt; lw. Young. **ARLINGTON (0)**—G. Campbell; rd. Stevens; ld. Emery; c. Shea; rw. Donovan; lw. Kiniry. Belmont alternates—Gurun. J. Butt, Marsh, Cote. Arlington alternates—Leary, Kelley, Parent. Goals made by R. Butt 2, Gurun. Penalties—Sylvia, tripping; R. Butt, cross-checking; J. Butt, charging; Leary, holding; Kelly, charging; J. Butt, tripping; MacKenzie, tripping; Sylvia, holding.

St. Agnes C.Y.O. Notes

St. Agnes C.Y.O. has begun another banner year. A grand Christmas party and dance was attended by a large number of boys and girls. The Debating Club and the Dramatic Club both have high hopes of celebrating another gala year. Hockey and basketball teams enable the members to have fun in the two sports, while at the same time they taste keen competition. Meetings are held on the first and third Thursdays of each month in the St. Agnes School Hall.

ELECTRICAL FAIR

(Continued from Page 1)

In addition to the latest appliances, cooking and laundry demonstrations and a demonstration of television by WBZ. Valuable prizes of electric appliances were awarded at the close of each session. Among the lucky ticket holders was Miss Catherine Harrington of Massachusetts avenue, secretary in the Town Hall, who won a new model portable radio.

SPORTS

ARLINGTON CAGERS WIN THRILLER FROM BROOKLINE IN OPENER, 26-24

Stephens Cages Winning Points in Last Minute. Arlington's Second Team Edged, 20 to 24.

On Tuesday afternoon the A. H. S. hoopsters barely survived their season's opener with Brookline, 26 to 24, in the George Lowe, Jr., auditorium.

The scoring was not brilliant; it executed as both sides were guilty of missing many easy lay-ups. Stan Flanagan, 6 ft., 4 in. Brookline center, hampered the local attack considerably and was high man for the visitors.

Stephens, whose last minute tally gave the local five its winning margin, was the high individual scorer with 12 points, six of them were free throws. Brookline took an early and definite lead in the early stages and led 7 to 1 at the end of the first period. Coach Fusco's lads hit their stride in the second, scoring 10 points to knot the score at eleven all at half time.

Whitey Derosier kept the Red and Gray in the running with two field goals at the end of the third stanza, bringing the score to 16 to 18 in favor of Brookline. In the fourth and final frame, the visitors again piled up a formidable 7-point advantage. Stephens came through with a goal and then four free throws.

With two minutes remaining, the score stood at Brookline 24, A. H. S. 22. Derosier made good two charity tosses to tie it up.

Brookline then resorted to long set shots. With 60 seconds to go the locals worked the ball down the court with a series of fast passes, and Stephens hit the strings from the corner to win. The second team game was similar to the varsity. In this fray, however, Dame Fortune smiled on the visiting Blues, 24 to 20. The summary:

Annual Meeting of Boys' Club Directors Being Held Tonight

Arlington Boys Club President William O. Adams will preside at the Annual meeting and Dinner of the Board of Directors to be held in the Boys Club dining-room tonight.

Because of the increase in membership, expansion of program becomes more necessary as each month passes and the Annual Meeting is expected to be one of the most important in the history of the Arlington Boys Club. The first three hundred youngsters have already assured themselves of another full year of healthful recreation and good fellowship plus keen athletic activity by taking out their 1948 membership cards at the Pond Lane Clubhouse.

From its many members, now returning to school, the Arlington Boys Club has, during the fall and particularly during the Christmas Holidays received many indications that 1948 will be a banner year for the club. Executive Director Jim Sumner stated that boys are discovering that the Boys Club offers a real value in "Boys Interests" when measured by the cost of membership which starts at less than one cent per week for the young fellows.

A fine gym and highly capable instructors, bowling, billiards, ping pong and many table games combined with Arts and Crafts classes, plus the extremely popular weekly Friday night-movies complete a very attractive program.

In addition to the foregoing, Connie Lyons, coach of the Intermediates and Seniors, has announced the start of a new league in basketball for all members from 15 to 18 years of age. A similar league for members under 15 years of age will be directed by Bob "Oble" O'Brien.

Legion Junior Baseball Team Receives Jackets

At the meeting of the Legion Post No. 39 at Legion Hall on Tuesday evening, the 16 members of the 1947 Legion Junior Baseball team were presented with handsome jackets bearing the Legion seal.

Those who received their jackets were: Keith Barnhill, Jack Donelan, Bob Murphy, Jack Cunniff, Tom Coughlin, Warren Bown, Bill Atamian, Bill Leary, Richie Raia, Richie Smith, Donald Hodgkins, Dale Walker, Donald Myers, Warren Ryan, Jr., Bill Canty, and John Egan. Managing Coach "Ed" Cartello also received a jacket in appreciation of his efforts.

BAPTIST WOMAN'S SOCIETY

The monthly meeting of the Woman's Missionary Society of the First Baptist Church was held last Monday afternoon at the church. Following the business meeting, at which Mrs. Wyman presided, Mrs. Harold Ache gave a preview of the January booklet, "World Mission Tour" on the "Freedom Train".

Mrs. Paul Smith was in charge of the devotional period. Her subject was, "Of What Importance Will 1948 Be to Us?" Beautiful violin solos were played by Miss Shirley Wallstrom, accompanied at the piano by Mrs. Carl Alsen.

Mrs. Frank Curry of Medford, president of the Massachusetts Woman's Baptist Mission Society, gave a very interesting talk on "Alaska", a subject which she has made a hobby of in the collecting of books, pictures and clippings from magazines and newspapers.

Tea was served in the ladies' parlor by the Highland-Hillside group, preceding the meeting.

K. OF C. TO ATTEND LECTURE SERIES ON TAFT-HARTLEY LAW

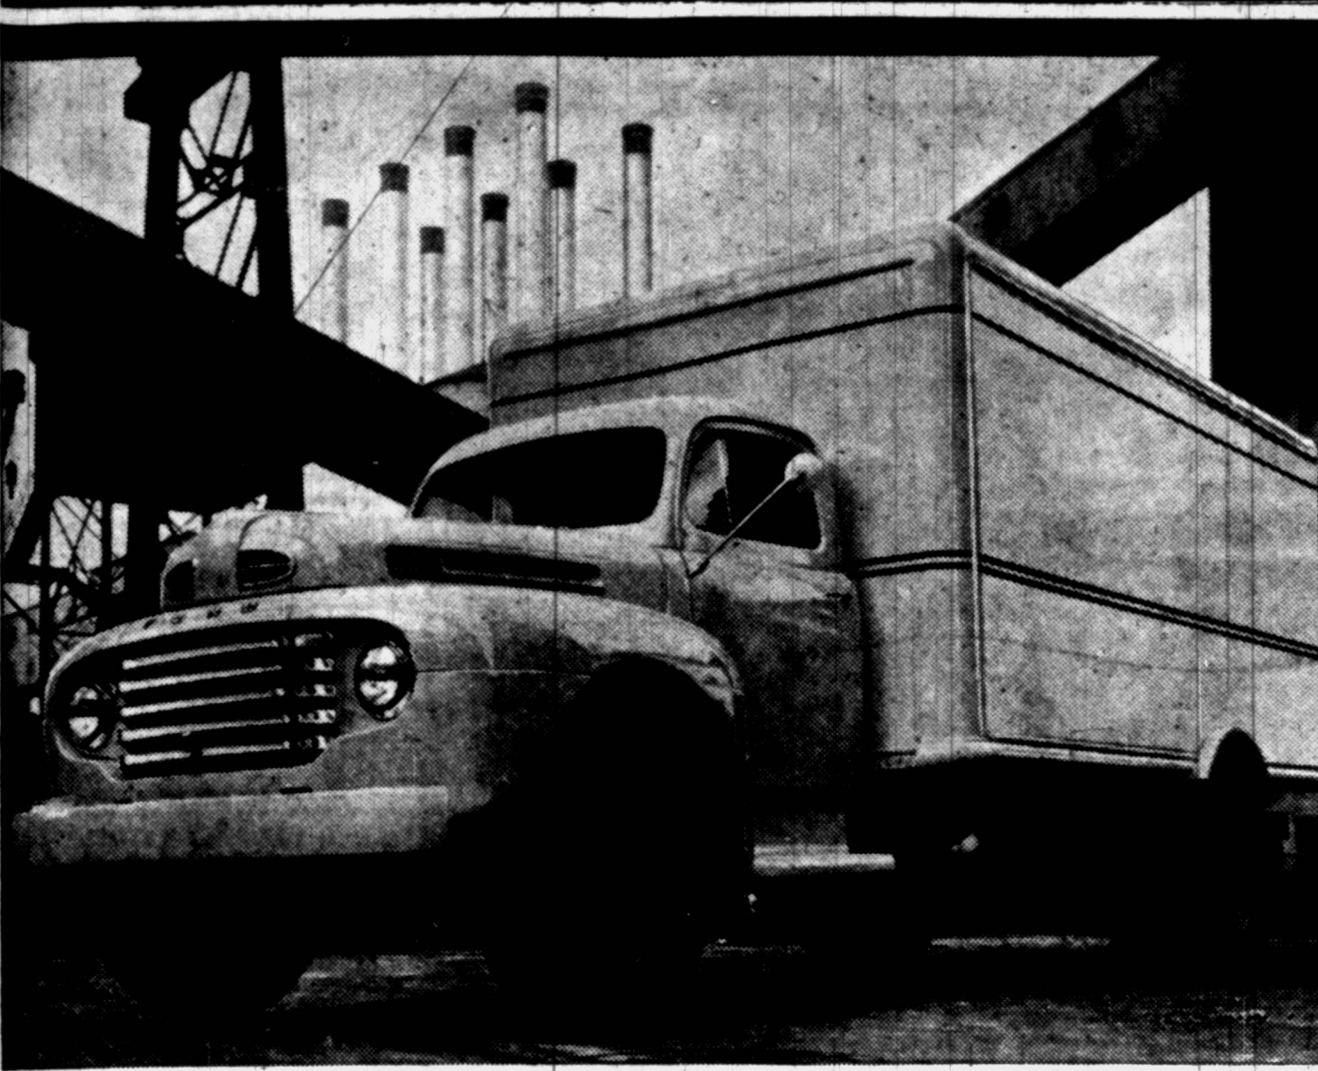

James E. Brady, 56 Windsor street, program director of the Cardinal O'Connell Council, Knights of Columbus, is a member of the committee arranging for a series of forum lectures on the Taft-Hartley law, sponsored by the council. The lectures will be given in the Embassy Room of the Hotel Kenmore on January 16 and 25 at 8:30 p.m. The speaker will be Rev. Ernest Foley, S.J., professor of economics at Boston College and chairman of the Industrial Relations Council. Rev. Foley is an authority on labor problems.

On behalf of the state council, Knight Brady invites all members of the Arlington K of C to attend these lectures. Mr. Brady is well known in local fraternal circles and is Five Point Program chairman of the Cardinal O'Connell Council and was elected last July to the office of Advocate in the Arlington council. He graduated from Notre Dame University and is manufacturing superintendent of the Chilton Greetings Company of Boston.

this program passed at the present session, it will be too late," he said. He continued, "Soldiers do not make wars. Governments make wars." In closing, Major Ward, who came to Arlington as the personal representative of Robert Cutler, National Chairman of the Security Board, quoted the famous words of General Marshall, "The only way to win a war is to prevent it."

The guest speaker was delighted upon arrival here to find several members of his former Marine unit among the eager audience, two having driven over from Malden to hear his speech.

Preceding the conclusion of the meeting, which was presided over by Post Commander McCrever, the post voted unanimously in favor of sending a telegram to the Congressional delegation from Massachusetts regarding this important issue. A night letter was dispatched to Congressman Rogers, Senator Leverett Saltonstall, requesting favorable action on a form of Military Training consistent with the Compton Committee recommendations at the current session of Congress.

four years. He has been with the department for a total of 30 years. Since vocational guidance and education are becoming common phrases to everyone nowadays, a practical definition of the term from Mr. Stratton comes at just the right moment. He defines vocational education as "that type of education which trains youth for profitable employment in industry, agriculture, homemaking, and distributive occupations." His responsibilities include the direction of all state aided vocational schools, G.I. on the Job Training, and the distribution of surplus property for educational institutions.

In addition, Mr. Stratton supervises the Fireman Training Program for the Bay State, which he organized himself. He says Fire Chief Tierney is a prominent leader and helpmate in this branch of his interests.

Obituary

ETHEL MARGARET FRASER
Miss Ethel Margaret Fraser, 25 Mt. Vernon street, died at her home on January 10. She was born in Truro, Nova Scotia, the daughter of the late Simon W. Fraser and the former Lilly E. C. New '48 Trucks

Announced by Ford
Driver comfort and efficiency were among the primary considerations of engineers and designers who created the 1948 Ford trucks, shown to the public for the first time today by Ford Motor Company dealers in the United States.

The new models represent Ford's first post-war product. In an interview with Mr. Chas. Perham of Charles B. Perham, Inc., the following features were pointed out:

Cabs for the new trucks have been redesigned to assure living-room comfort. They provide seven inches greater width as well as increased headroom. The door opening has been moved forward three inches, providing greater clearance for entering and leaving the cab.

The doors extend well below the floor and are weather-sealed for protection against moisture, dust and drafts. Interior and exterior hardware is more rugged.

A one-piece windshield is two inches higher gives drivers clearer vision forward. The rear window has been enlarged to increase visibility.

Seats and cushions give passenger car comfort to driver and helper. The adjustable coach-type seat has individually wrapped coil springs and a rubberized hair pad. The cabs also have a large ash tray, dispatch box and sun visor. Provision for radio installation includes a grille opening in the instrument panel.

The new cabs also provide for a new three-way air control system to assure high-volume, fresh-air ventilation.

Engineers increased the steering ratios on the 1948 Ford trucks to provide easier handling. The light trucks are equipped with new direct-action shock absorbers. Two-ton and heavier models are equipped with vacuum power brakes.

March of Dimes

Launched with Meeting Drive Opens Today

According to a statement received from William J. Sinclair, chairman of the 1948 Arlington March of Dimes, the largest meeting of the year was held at the Hardy School on Monday evening. With an attendance of over 200 Auxiliary Police who are sponsoring the March of Dimes, final preparations were made for the opening of the campaign which starts today and runs through January 30.

Preliminary solicitation has already been made to various clubs and organizations of the town and to many townspeople. The contributions are already rolling in, and the entire committee is confident of raising our quota of \$7500.00. The four local banks have cooperated and will accept contributions during the campaign—January 15 to 31. Checks may also be mailed to the Treasurer, March of Dimes Committee, Clarence H. Marsh, Box 26, Arlington, Mass.

A very lively and entertaining program followed the business meeting. A complete floor show direct from the Broadway Club, Saugus, was given. This gala production was the finest ever

presented since the inauguration of the Auxiliary Police Association. A rising vote of thanks amid great applause was given Mr. Anthony Truscillo of Arlington, owner of the Broadway Club who donated the services of the entertainers in the interest of launching this pre-campaign meeting of the sponsors of the March of Dimes drive.

Concert Benefits

Carney Hospital

Music lovers will rejoice in the announcement by Archbishop Richard J. Cushing that the St. Cecilia Schola Cantorum, Boston's Archdiocesan Choral Society, will give a concert on Sunday evening, February 8 at Symphony Hall, under the auspices of the Physicians' wives of the Carney Hospital staff. The entire proceeds of the occasion will be turned over to the Carney Hospital Fund.

The Choral group embraces a membership of two hundred and twenty-five trained voices from all parts of the Archdiocese, who will be heard in an impressive musical program under the personal direction of Rev. Arthur J. Hagen with Theodore Marier conducting.

Because of the tremendous success scored last season by this group in their initial appearance at Symphony hall when a capacity audience applauded generously its brilliant performance, the committee advises the early purchase of tickets, now available at both Symphony hall and the Steinert Piano Company on Boylston street.

Brackett Book Club

The Brackett School Book Review Club met last Wednesday evening at the home of Mrs. Ehrlich Schreiter, 179 Highland avenue. Delicious refreshments were served from an attractively decorated table. After refreshments the group was entertained by Mrs. Harold Prindle giving an excellent review on the book, "Give Us Our Dream" by Arthurs Goertz.

The next meeting will be held at the home of Mrs. Arthur Garland, 29 Puritan road, Wednesday evening, January 21, at 8:00 o'clock. Mrs. Albert Porteus will give a review on the book, "The Purple Plain" by H. E. Bates. Mrs. Hiram Moody will give a review on the book, "Yesterday's Children" by Lamar Warrick and Mrs. Jack Brewer will review the book, "The Eagle in the Sky" by F. Van Wyk Mason.

Second Session of

Christian Institute

At Pleasant St. Church

The second session of the Institute on Christian Relations, being sponsored jointly by St. John's Episcopal Church and the Pleasant Street Congregational Church, was held on Tuesday evening at the Pleasant Street Congregational Church, preceded by the institute supper served by the ladies of the church. Over 100 attended the supper and about 200 attended the session, at which Dr. Eddy Asirvatham, noted Indian scholar, author and professor at Boston University, spoke. Co-chairman of the supper Committee were Mrs. Albert H. Perkins and Mrs. Clarence Brown. The committee on supper arrangements included Mrs. Herbert Rhodes, Mrs. Glenn Owens, Mrs. Leonard Wood and Mrs. George Leary.

Town Topic

—Mrs. Bowen Tufts of Hutchinson road left Tuesday for Los Angeles, Calif., where she will spend the rest of the winter with her son, "Sonny" Tufts, of cinema fame, and his wife. Mrs. Tufts will also visit her daughter, Mrs. Mollie Shultis, in Los Angeles.

UNIVERSITY THEATRE

Samuel Goldwyn's eye-drawing Goldwyn Girls ably assist Danny Kaye in the lavish technicolor comedy with music, "The Secret Life of Walter Mitty", which heads the University Theatre program Sunday through Wednesday next. Based upon the story of the same title by James Thurber, it was very successful a decade ago with Harold Lloyd in the leading role.

Companion feature, "Adventure Island", is a better than average adventure story, based on the novel "Ebb Tide" by Robert Louis Stevenson.

On Thursday, Friday and Saturday, a rare treat for the lovers of classical music will be featured, namely "Carnegie Hall". This program will definitely appeal to all in that it offers the talents of many of the concert world's greatest figures, plus the ultra modern, under the able direction of Harry James, Vaughn Monroe and their orchestras.

The short subjects rounding out the program include the latest March of Time, "End of an Empire" and the This is America Series, interesting and timely subject, "I Am An Alcoholic."

Robert S. Judge to

Discuss Income Taxes

On WEEI Saturday

Robert Scott Judge, 66 Appleton street, will be the speaker on the second in a series of seven weekly broadcasts on the subject of Federal Income Taxes, on Saturday evening, January 24, from 7:00 to 7:15 over Station WEEI. This series is being presented by the Boston Chapter of the National Association of Cost Accountants as a public service.

A graduate of Yale University and Harvard Law School, Judge has been associated for several years with the Boston office of the nationally known firm of public accountants of Peterson, Teale & Dennis as a tax specialist. He is a member of the Massachusetts Bar Association and the Federal District Court Bar for the District of Massachusetts, and a member of the Boston Bar Association, Cambridge Bar Association, and the Massachusetts Society of Certified Public Accountants.

Interested listeners may submit questions and problems in advance to station WEEI for discussion and the speaker will devote as much time as possible to these.

TOWN TENDERS

APPRECIATION

(Continued from Page 1)

ded as a registered voter in this Town on October 21, 1889; and that you were elected a Cemetery Commissioner at the Town election held March 2, 1903, at six o'clock in the morning, having received 814 votes. You were sworn in on March 6, 1903.

You have been a registered voter for just on fifty-nine consecutive years, and a Cemetery Commissioner for just on forty-five years—a record of citizenship and gratuitous civic service to your Town that should make you swell with pride. I am sure our citizens are most appreciative of and grateful for your stewardship.

Many changes have taken place in Arlington since 1903, especially in the size of its population and the valuation of its real estate, but outstanding and glorious is the fact that with its growth through the years Arlington's foundation remains strong and secure, its reputation and renown undimmed—and in my humble opinion it has been kept so by tireless and unselfish men like you who have had its best interests at heart first, last and always.

Hoping you will have many happy and healthy years in Arlington to enjoy the companionship of your legion of friends, and with every good wish, I beg you to believe me

Yours truly,
Earl A. Ryder.

Rev. MacCallum and Alice Schutzky Married Here

At a pretty afternoon wedding on Saturday, January 10, Miss Alice E. Schutzky, the daughter of Mr. and Mrs. S. Schutzky of Alameda, Calif., became the bride of Rev. Donald Jack MacCallum, the son of Mr. and Mrs. Dugald MacCallum of 42 Quincy street. The ceremony was held at the Second Congregational Church in Winchester, of which Mr. MacCallum is pastor, and was performed by Rev. Doctor George Williams of Bartlett avenue. Professor at the Harvard Divinity School. The bride's only attendant was Miss Susan MacCallum, sister of the groom, and Mr. MacCallum's best man was his cousin, Dugald Colquhoun. Mrs. George Lochman was organist, and the bride was given in marriage by Mr. Frank Parker.

The bride was dressed in an Alice-blue suit with brown accessories, and wore a corsage of white butterfly orchids. Her maid of honor wore a wine-colored suit and a winter-white hat trimmed with wine color. She carried a bouquet of white roses. Decorations at the church were simple and effective. Two large bouquets of white snapdragons and carnations adorned the altar. Following the ceremony, a reception was held at the Hotel Commander in Cambridge.

Rev. MacCallum graduated from Tufts College with a Bachelor of Arts degree, and received his Bachelor of Divinity degree from the Pacific School of Religion in Berkeley, Calif. He served interim pastorates in several California churches, and was associated with the First Church in Alameda, Calif., before coming to the Second Congregational Church in Winchester as pastor last fall. Before her marriage, Mrs. MacCallum was secretary at a San Francisco Medical Center.

Mr. and Mrs. MacCallum will be at home at Brookdale avenue in Winchester upon their return from a wedding trip.

A FIVE-DOLLAR BILL... WHAT IT BUYS

The lady and her husband are concerned about prices at the beginning of this new year. They're wondering if anybody is really trying to "hold the line" against inflation.

This is a word of assurance that Boston Edison is doing more than "hold the line." Electricity today actually costs you less than it did ten years ago. To appreciate how much less it costs than other commodities, just consider the purchasing power of that five-dollar bill as it was ten years ago, and as it is today. And then permit us to mention how much more it costs Boston Edison Company today to bring you this lower-priced electrical service. Here are a few figures:

WHAT THE CUSTOMER PAYS

Here's what a \$5 bill used to buy in 1938 and what it will buy today:

	1938	1948
Prime beefsteak.....	12 lbs.	5 lbs.
Eggs (best).....	12 doz.	6 doz.
Butter (best).....	15 lbs.	6 lbs.
Men's shoes (medium quality)...	1 pair	1/2 pair
House dresses.....	2 dresses	1 dress
Stockings (silk or nylon).....	6 pairs	3 pairs
Gasoline (standard quality)....	30 gals.	22 gals.
Cigarettes (popular brands)....	4 cartons	2 1/2 cartons
ELECTRICITY	96 kw. hours	102 kw. hours

These are actual prices, picked from representative advertisements of ten years ago and today. Electricity is the only item in this list which has not made a substantial jump. On the contrary, it now costs you less than it did ten years ago.

WHAT BOSTON EDISON PAYS

Here are some typical expenses which Boston Edison paid in 1937, compared with our costs in 1947:

	1937	1947	% Increase
Average annual earnings per employee	\$1,908.00	\$3,167.00	66%
Taxes paid.....	6,090,226.00	11,430,000.00*	88%
Coal (per short ton, delivered in Dec.)	4.63	8.90*	92%
Service insulators (per 100).....	17.70	30.79	74%
Electric meters (each)	8.27	11.02	24%
Overhead line wire (per mile).....	156.00	260.00	66%
Standard electric light pole.....	15.75	27.38	74%
Service maintenance truck, equipped..	4,000.00	6,800.00	70%
Pole transformers (each).....	125.00	161.00	29%

The cost of practically everything needed by Boston Edison Company to bring you electrical service is much higher today than ten years ago.

*Preliminary estimate.

A Pledge of Our Faith in the Future

In the face of these rising costs of construction and of doing business, Boston Edison has gone forward with its expansion program. Week after week this winter the Company has been supplying the greatest volume of electrical energy in its history. We took care of the vast increase in demand for electricity during the war, and we shall continue to take care of the still greater and constantly increasing demand of the future.

To meet these increasing demands, we are making very substantial investments in new major equipment. In 1947 a third 50,000 kilowatt turbo-generator went into operation at Mystic Station. A year ago we announced the beginning of construction on what will be the largest turbo-generator in New England. When it goes into operation at our Edgar Station in 1949, it will add approximately 100,000 more kilowatts to our generating capacity.

We are making these investments as a pledge of our faith in the future of Greater Boston. At the same time we are doing our part to attract new industry, with new payrolls, to this section of the country, with its splendid advantages for manufacturing and commerce.

... and a Word of Appreciation

To our customers, who have learned the comfort and convenience of electrical living, and who are taking advantage of its low cost to enjoy more and more of it, we express our sincere thanks for your patronage and your co-operation, and our assurance of continued and devoted service during 1948 and the years beyond.

Women's Missionary

Guild to Hear Speaker

Mrs. Arthur J. Crockett from the Seaman's Friend Society of Boston will be the speaker at the Women's Missionary Guild of the Park Avenue Congregational church on January 20, at 2 p. m. Her subject will be "At the Sign of the Cockerel."

Mrs. J. Howard Hayes will conduct the devotion and the hostesses for the afternoon will be Mrs. Christopher F. Strong, Mrs. Phillip Eyrick and Mrs. William R. Bennett.

ARLINGTON WOMAN'S CLUB

The first meeting of 1948 was held in Robbins Memorial Town Hall on Thursday, January 8th. Art Day was the special theme and the program was in charge of Mrs. Walter A. Coffey, chairman of the Art Committee. The scheduled speaker being unable to attend, the club was fortunate in obtaining Mr. Emil Gruppé, a noted Gloucester artist, who delighted the audience by painting a scene of a portion of Gloucester Harbor, from memory. It was intriguing and fascinating to watch the picture grow.

Mrs. Americo Chaves presented Miss Nellie Zimmer, harpist, an artist of rare ability, who played several fine selections which were received enthusiastically.

In the Art Corners were displayed dolls of all countries, which were loaned by club members and arranged by the Art Committee.

"Youth Aliyah" Night
At Arlington Hadassah

The Arlington Chapter of Hadassah met on Tuesday evening, January 6th, at the Arlington Academy of Music, and dedicated the meeting to "Youth Aliyah," a movement started after the rise of Hitler to take Jewish children out of Nazi Germany into Palestine. Children now being rescued come from 20 countries on the European continent. Groups of Hadassah members were formed to undertake the care of a child for one year.

A report showing substantial progress in the "collection of dues drive" which ends January 15th, was given by Mrs. I. M. Shoklin. All "paid up" members will be eligible to elect delegates to the next World Zionist Congress which convenes prior to the inauguration of the Jewish State on October 1st.

Mrs. Milton Herman, president, announced that plans are being formulated for a "tea" to be held in early spring in honor of new members and of those who wish to become life members in the Hadassah Organization.

Mrs. David Banen of Lexington spoke on recent events pertaining to Palestine and read an interesting article by Richard Crossman in which he urged an International Police Force to end the bitter Jewish-Arab strife, and enforce the decision of the United Nations regarding the partition of Palestine.

At the close of the business meeting, bridge and mah jong were played. Delicacies prepared by Mrs. M. Zellin and Mrs. L. Doctoroff were served by the hospitality committee.

Daughter for Townsends
Col. and Mrs. James B. J. Townsend of Washington, D. C., announce the birth of a daughter, Victoria Selden Townsend, on December 31, Mrs. Townsend is the former Vera Chenoweth of Westminster avenue, and served overseas as a member of the Army Nurse Corps for four years during World War II.

HEIGHTS SUNSHINE CLUB

In spite of the snow, 14 members of the Arlington Heights Sunshine Club gathered at the home of Mrs. Frank Larson, 13 Woodland street, last week for the first meeting of the new year. Delicious refreshments were served by the hostess. Bridge was then enjoyed for the rest of the afternoon.

The next meeting of the club will be held on Wednesday, January 21st, at the home of Mrs. A. C. Fitch, 66 Appleton street.

Birthday Party

For Ed Kerrigan

A group of old friends of long standing gathered recently for a jolly party to celebrate the birthday of one of the members of the "Nine Old Men Club". The occasion was the natal day of Ed Kerrigan, and among the nine old men who are eternally young present at the affair were Sandy Chestari, Dick Noy, S. V. C. of the Legion Post #38, Elmer Scribner, Past Commander Post #39, Harry J. O'Reilly, Manuel Consales, Bill McDonald and Bob Perham.

Unable to be present and greatly missed was Charlie Tynan, who is confined to the West Roxbury Veterans Hospital.

The party was held at Legion Hall and one of the famous Italian dinners prepared by Sandy Chestari was enjoyed.

The guest of honor, Mr. Kerrigan, refused to reveal his age, this said.

"Life" is the subject of the Lesson-Sermon for Sunday, January 18.

Golden Text: "Seek good, and not evil, that ye may live; and so the Lord, the God of hosts, shall be with you, as ye have spoken" (Amos 5: 14).

Sermon: Passages from the Bible (King James Version) include: "For he that will love life, and see good days, let him refrain his tongue from evil, and his lips that they speak no guile: let him eschew evil, and do good; let him seek peace, and ensue it. For the eyes of the Lord are over the righteous, and his ears are open unto their prayers" (I Peter 3: 10-12).

Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, include:

"The understanding that Life is God, Spirit, lengthens our days by strengthening our trust in the deathless reality of Life, its almightiness and immortality" (p. 487).

"For he that will love life, and see good days, let him refrain his tongue from evil, and his lips that they speak no guile: let him eschew evil, and do good; let him seek peace, and ensue it. For the eyes of the Lord are over the righteous, and his ears are open unto their prayers" (I Peter 3: 10-12).

Bond Grandchildren

Here for Holiday Party

The attractive group of children pictured today are the grandchildren of Mr. and Mrs. Harold A. Bond of 42 Brantwood road, shown at a recent holiday party at their home. Many readers know the parents of the youngsters, all well known Arlingtonians. The young Keevils are the children of the former Verna Ruth Bond and Norman B. Keevil, of Lorne park, Ontario, Canada. The Speers children's parents are the former Shirley Helen Bond and Ronald T. Speers of Orono, Maine. The wee Hendrick girls are the daughters of the former Peggy Bond and Arthur J. Hendrick, Jr., of Kennebunkport, Maine. Richard and Carol Bond are the son and daughter of Charles Bond and his former wife, Matilda Lowcock. Bonnie Bond is the daughter of the late Harold Bond, Jr., and Barbara Hill Bond. The beaming kiddies posed prettily for their proud grandfather who snapped the splendid picture of the reunion.

PEIRCE SCHOOL P. T. A.
The executive board of the Peirce School P. T. A. held its monthly meeting on January 7, at 8 p.m. at the home of the president, Mrs. E. E. Gross, 23 Crescent Hill avenue, with 17 members present.

The executive board recommended that a salary adjustment be made for the school nurses. Delightful refreshments were served by the hostess at the close of the business meeting.

Calvary Women's Society
Holds Monthly Meeting
The Womans' Society of the Christian Service of Calvary Methodist Church held its monthly meeting at the church on Thursday evening, January 8th. Miss Norman Walkinshaw, president, opened with a quotation from the "Upper Room". The results of the Annual Bazaar proved equally profitable, having it one day instead of the usual two-day affair.

Reports were given by the various officers and Circles. Mrs. Jessie Swafford conducted a brief devotional period. Her theme was "Kindness". Mrs. W. B. Oliver gave an enlightening and interesting talk on "Protestant Guild for the Blind." Delicious refreshments were served at an attractively decorated table by Comet Club, Mrs. Edith Burke, chairman.

At the February meeting, Rev. Lewis Williamson will be the guest speaker.

High Scores
High scores at the contract bridge parties held weekly at the home of Mrs. J. Herbert Mead on Appleton street were: Friday, January 9, First, Mrs. R. E. Benson and Matilda Cartullo; second, Mrs. M. H. Osterberg and Mr. H. G. Leavitt; third, Ralph Cartullo and Mrs. Warren Ruthford. On Monday, North and South first were Mrs. Joseph McCann and Mrs. Walter Lannefeld; second, Mrs. James Harding and Mrs. F. G. Kakas; third, Mrs. Peter Baker and Mrs. E. W. Hatch. East and West first, Mrs. Frank Kumer and Mrs. R. B. Wade; second, Mrs. J. L. Fitch and Mrs. J. L. Simpson; third, Mrs. Edmund Byram and Mrs. Minnie Harms.

Change of Meeting
The meeting of the Florence Crittenton League on Wednesday afternoon at 2:30 which was originally scheduled to be held at 152 Pleasant street, has been changed to the Unitarian Church at the same time. The pourers for the tea are: Mrs. Arthur Saul and Mrs. W. L. Fairchild. Servers will include Mrs. Andrew Magnus, Mrs. Chester Ginder, Mrs. B. R. Chase and Miss Vivian Barker.

LOCKE P. T. A.
At the executive board meeting of the Locke P. T. A. last Thursday evening at the home of Mrs. Edward Handschumaker, a pleasant surprise was tendered Mrs. William Herrington, who leaves shortly for Japan. She was presented with a gold lapel pin from the Executive Board and Past Presidents of the organization. Refreshments concluded an enjoyable evening.

Flowers Cheer the Sick
Flowers add life to a sick room. Be sure to remember that loved one or friend who is ill by having us send beautiful cut flowers or potted plants to brighten up life and add cheer. Flowers are reasonable, and the perfect way to say 'get well soon'. Fresh and perfect, our blossoms radiate health and cheer.

PARMENTER P. T. A.

The Parmenter Parent-Teacher Association held its regular monthly meeting Monday night at the school. The meeting was very well attended for such a stormy night. Professor Henry W. Syer spoke on "What Audio-Visual Aids Do in the Elementary Schools". Professor Syer stressed throughout his talk that Audio-Visual Aids are not a completely new type of education but rather should supplement the older concept of education. The ways and means committee, under its chairman, Mrs. Von Weston, held a Chinese auction after the Professor's talk. Mr. Von Weston made a very able and humorous auctioneer. The auction was a financial success due to the hard work of Mr. and Mrs. Weston. Among the many unusual items was the bonus prize of a guaranteed S.P.C.A. kitten, won by Mrs. Martha Bradford.

Drake-Welsh Wedding

Miss Jean C. Welsh, the daughter of Mrs. Robert Welsh, and Charles Drake, Jr., the son of Mr. and Mrs. Charles Drake of Cincinnati, Ohio, were married on Saturday evening at a ceremony held at the Welsh home, 26 Berkeley street. Rev. Milton Shadegg, pastor of the Park Avenue Congregational Church, performed the ceremony, and music was furnished by Miss Janet Gibson, pianist. The maid of honor was Miss Ellen Drake, sister of the groom, and Lynn Toni was best man. The bride was given in marriage by her brother, Robert Welsh, Jr. Following the ceremony, a wedding supper was served.

Mrs. Drake is a graduate of Arlington High School, with the class of 1946, and wrote the words and music of the class song for her graduation. She attended Emerson College, and is at present in the sales department of the Ward Baking Company. Sgt. Drake is with the 8th Army Air Force, Weather Squadron, stationed in Labrador. He is on furlough, and he and his bride are taking a trip to Cincinnati, during which time they will visit his family.

Dr. Donald T. Dodge

Army Consultant
Word has been received from San Antonio, Texas, that Dr. Donald T. Dodge, son of Mr. and Mrs. Henry E. Dodge of 58 Brantwood road, has been appointed by the Army as a civilian consultant to the Surgeon General's office.

During World War II he served in the capacity of Commander at the San Leander Naval Base in California in charge of the psychiatric department. After his discharge from the Navy he

finished a fellowship at the University of Pennsylvania and became an associate of Dr. Strecker, former famous psychiatrist. At present Dr. and Mrs. Dodge are located in San Antonio, Texas, where he has a private practice, besides being affiliated with the Santa Rosa, Nix Memorial and Medical and Surgical Hospitals.

Elliott Chairman For Dinner Held at Hampshire House

Roscoe O. Elliott was chairman of the dinner and meeting held Monday evening by Area Council No. 1 of the Boys' Clubs of America. Council No. 1, which is one of the seven area councils of Boys' Clubs, comprises laymen and professional workers from Northern New England and Eastern Massachusetts. The dinner was held at the Hampshire House in Boston, and Mr. Elliott introduced the speakers, and had charge of all arrangements for the affair. Besides Mr. and Mrs. Elliott, other Arlington members and guests present were Mr. James Sumner, director of the Arlington Boys' Club, and Secretary of Area 1, and Mrs. Sumner, Mr. and Mrs. Walter Kenny, Mr. and Mrs. Henry Otis, "Conny" Lyons and Bob O'Brien.

P.T.A. Council Announces Opening of Children's Art Center Saturdays

The Arlington Council of Parent-Teacher Associations announces the second term of the 1947-48 season at the Menotomy Art Centre, for boys and girls of fourth grade through high school age. All classes will be held in the Junior High School Center, Academy street, on Saturday mornings, from 9:30 to 11:30, on the following dates: January 24 and 31; February 7, 14, 21; March 6, 13, 20; April 3 and 10. Registrations and advance payment of five dollars (\$5.00) for the ten lessons will be on Saturday, January 17, from 10:30 to 11:30 a.m., in the Junior High School Center.

Teachers for this term will again include Donald Plummer, supervisor of art for the Belmont Public Schools, and will continue under the expert supervision of Mrs. Marion L. Ford, supervisor of art for the Arlington Public Schools.

Mrs. Humphrey J. Sullivan of 45 Menotomy road is the registrar.

—Visiting at the home of Mr. and Mrs. Willard Slagle, 144 Hutchinson road, over the holidays, was Mrs. Willard G. Slagle, Mr. Slagle's mother. She returned to her home in Hammond, Indiana, on Sunday.

Fashion Show at

First Baptist Church

Members and friends of the Women's Fellowship of the First Baptist Church are cordially invited to attend an "Educational Fashion Show" on Monday evening at 8:00 o'clock. This will be of practical interest to all women and is presented by the noted Modern School of Fashion and Design of Boston. Models will demonstrate tricks to make last year's clothes meet this year's demands.

Refreshments will be served by Mrs. Carl Wansamaker, chairman of hospitality, and her committee.

VARIA STUDY CLUB

Last Monday evening the Varia Study Club met at the home of Mrs. William Crowley, 70 Appleton street, to hear a most interesting paper given by Mrs. Franklin Gruber on "The Romance of Steel".

Delicious refreshments were served by Mrs. Curtis Pinkham, Mrs. Robert S. Judge, Mrs. Arthur Morrison, Mrs. William Connor and Mrs. Henry Sanger. The club recently enjoyed a lovely holiday tea at which the mothers of members were the honored guests.

Arlington Co-operative Bank Aids New Home Construction

Walter T. Chamberlain, Executive Vice-President of the Arlington Co-operative Bank, calls attention to the highly creditable record of the 175 Co-operative Banks of Massachusetts in the financing of new homes.

Building activity has varied in different parts of the State, but these banks made in 1946 no less than 1900 loans on new homes. In the amount of \$11,000,000, and 2600 such loans in the first ten months of 1947 for a total of \$16,000,000. All this new construction, financed by Co-operative Banks, proves conclusively that something is "being done about housing" in Massachusetts. Locally, the Arlington Co-operative Bank reports having made 48 new home construction loans for \$324,350.00 during the same period, and is continuing to co-operate to the fullest with builders and contractors in this area.

Harlow Family

Flies to Greece

Mrs. Harold Chadbourne Harlow, Jr., and her two children, Linda, 4, and Richard, 2½, months old, flew to Greece last Friday to join Mr. Harlow and were expected to arrive there Sunday morning. Son of Mr. and Mrs. Harold C. Harlow, 153 Brooks avenue, Mr. Harlow arrived in Greece on October 18 to work in Athens under the joint auspices of the Congregational Christian Service Committee and the American Board of Foreign Missions. By a strange coincidence his baby son, whom he has never seen, was born on that same date. Mr. Harlow studied at Dartmouth College, Yale University, and received his master's degree from the Boston University Graduate School of Social Work. They will reside just outside of Athens where Mr. Harlow will be at his teaching post for three years at the Pierce School, an American institution.
